Dear Sir,

**RE: CONSOLIDATION OF MY LOANS**

I have applied for a Shujaa Loan to consolidated 3 loans into one. I visited the SACCO Hq last week for advice before I started the process of applying online.

However, it was a challenge as I got hiccups in quite a number of stages starting with amending the minimum share contribution to Sh.5000 etc. I kept on calling the SACCO for support. Ultimately I had to visit the SACCO Headquarters in person for assistance.

This delay of nearly 10days has really inconvenienced me financially.

I seek your indulgence in processing this loan application urgently.

Thank you.

Regards,

Francis Hiribae
